This costume dress is all hand sewn. I had it made in high school to perform in a travelling acapella madrigals group. I was about 150lbs back then and approx 5'4. This dress would be between a S-M fit. It comes with the top piece, skirt, hoop skirt, hat, cloak and garment storage bag. I had it dry cleaned as well, so it goes to a new home without dust and germs. It cost me nearly \$1000, but I don't expect to sell it for that much. I'm willing to negotiate a price, just message me.
